

# BEC Feed Solutions Vita-Stress

**Vita-Stress** Multi-Vitamin Supplement is a vitamin blend formulated for addition to water or feed to supplement vitamin requirements where they may be low.

Times when Vita-Stress Multi-Vitamin Supplement may be beneficial are:

- Times of environmental stress (i.e. periods of extreme heat, dry, wet or cold)
- In preparation for transport
- Breeding
- Pregnancy & Lactation
- Horses in Training
- Show events
- Ill health
